the Great Purifer of the Blood!

Not a Particle of Mercury in it. RESTAURIZE RESERVE for Serofula, King's Evil, Rheumatism, Obstitute Outsneous Bruptions, Pimples or Pastules on the Face, Blotches, Boils, Chronic Sore Ryes, Ring Worm or Tetter, Scald Head, Enlarge-ment and Pain of the Bones and Joints, Stubborn Thers, Syphilitic Disorders, Lumbago, Spinal Com-plaints, and all Diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

VHIS valuable Medicine, which has become celebrated for the number of extraordinary cures fected through its agency, has induced the proprieors, at the urgent request of their friends, to offer it o the public, which they do with the utmost confi-ence in its virtues and wonderful curative properne. The following certificates, selected from a large maker, are, however, stronger testimony than the sere word of the proprietore; and are all from genemen well known in their localities, and of the highst respectability, many of them reciding in the city of

P. BOYDEN, Esq. of the Exchange Hotel, Bichmord, known everywhere, says he has seen the Medi-ire called Cantun's Spanisu Mintura, administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astorishingly good results. He says it is the most extraordinary nedicine he has ever seen.

AGUE AND FEVER-GREAT OURE .- I hereby pertify that for three years I had Ague and Pever o the most violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without commenent relief. At last I tried Carter's Spanish disture, two bottles of which effectually cured me, and I am happy to say I have had neither Chills or Peress simes. I consider it the best Tonic in the sorld, and the only medicine that ever reached my

Q. B. LUCK, Esq., now in the city of Richmond and for many years in the Post Office, has such confi leace in the astonishing efficacy of Oarter's Spanish Visture, that he has bought upwards of 53 bottles, which he has given away to the afflicted. Mr. Luck ays he has never known it to fail when taken accord-

DAILY EVENING STAR

A LOVE STORY.

In the autobiography of Hugh Miller, we find the following, which shows how his trade in humble life : "He was visited one evening by a fe-

woman. She seemed to take no notice paper.' of the ungainly dust besprinkled mechanic in his shirtsleeves, and with a leathern apron : but it afterwards tran- is the sequel to the "almost suicide case" spired that she made some excuse to gain which appeared in the Star a few days a nearer look of the person who had been pointed out to her by so distinguished a name as the Cromartyr poet. A few evenings after, he met the same young lady under circumstances a little more ing along one of his favorite walks on shoot herself, it will be remembered, but the hill-a tree-skirted glade-enjoying was induced to forgo that desperate inthe delightful prospect of the enchanting tent. A brother of the young man who shores and waters of the Cromartyr Frith, her presence. She was sauntering through to search out the absentee and have jusand then dipping into a volume in her pay expenses. The youngster was not hand, which he did not, have, in the least, proof against the charms which had overthe look of a novel, and which preved to come his brother, and on going nine miles, be an claborate essay on Causation. the two concluded that it was useless to They passed each other, however, with pursue a flying lover while a willing one out any sign of recognition. As she dis- was at hand, submissive to his flame. An appeared, with a quicker pace, from his impromptu marriage was consummated. forest and the gorgeous sunset-furnish- the funds designed for another purpose ing a most appropriate figure for a lovely would be used to defray the expenses of scene. Soon after, he began to meet her a trip to Saratoga and other watering at the "æsthetic teas" which he loved to frequent. She proved to be the daughter celebrated." of a respectable widow lady, who had

come to reside at Cromartyr, had received to law sometimes upon the most extraa superior education, and at once made ordinary grounds. What do you think good her claims to a place in the highest of such an action as the following? A intellectual circles. Our accomplished mason soon found Picarde. On the day succeeding the that she had a turn even for the severer drawing, he found the list of the winwalks of literature, and had formed a ning members in the Presse; and still habit of composition in the style of the better, he found that his own ticket, No. best English models. Her natural shy- 77,631, was down against a prize of ness rapidly wore away under the attrac - 1.000 francs. He at once posted off to tractions of Hugh's intelligent conversa- Amiens, the capital of the ancient Pition, and they became great friends. He cardy, and the seat of the lottery. He was nearly ten years her senior, had read was there told that the number 77,631 many more books, and was well qualified had indeed won a prize, but it was not to be her intellectual counseller. She 1,000 francs; it was an elegant mezzovisted him, after some maidenly scruples tint of the Louvre. Out of this came a had been resolved by the sanction of her lawsuit. But can you imagine who was friends, while working in the church- sued? The managers of the lottery, yard, and soon became one of his most perhaps for swindling? Oh no: the diconstant guests. They conversed to- recting manager is the Prefect of the gether on literature, philosophy and D partment. Why, the editor of the science, always, however, avoiding one Presse, for having cruelly disappointed subject, namely : "that mysterious affec- him! The ease was actually tried, and tion," as Mr. Miller quaintly expresses the proprietor of the Presse appeared. it, "which sometimes springs up between He stated that the list of prizes published two persons of opposite sexes, when by him was an exact copy of the official thrown much together." Love formed list, issued by the lottery itself. This the one solitary subject which, from some was proved. Finding himself worsted, curious contingency, invariably escaped the unlucky gentleman begged M. Rouy them. The imperturable Hugh was not the culpable editor, at least to make one of the sort of people that fell in love at first sight. He had even made up his to Amiens had cost him-about 70 francs mind to live a bachelor life. Still he was in all. It is needless to add that this not altogether as obdurate as the rocks rational and modest request was also reof his favorite science. In spite of his fused. The litigant lost his prize, his tough, sinewy Scottish heart, he some railroad and hetel money, his suit, his times indulged in ideal visions. For fourteen or fifteen years, as he tells us. with his inimitable naivete, he had often fancied in his solitary walks a female companion by his side, with whom he It is said that there are now in Pittsburg exchanged many a feeling, and whose thirty-eight iron foundries, of which nine understanding was as vigorous as her are almost exclusively employed in the taste was faultless and her feeling ex- manufacture of various kinds of bollow quisite. But these visions at length ware, machinery, &c. The foundries faded into thin air, in the presence of his which are employed in the manufacture new-found friend. He had no hope that of steam engines, consume yearly 3,200 the feeling would be mutual. He had tons of wrought iron, 9,200 of pig, emnever prided himself on his good looks. ploy 640 men, and produce 120 steam engines. Though, in point of strength and activity, gines every year. Their net capital is

while he admitted that 'beauty' had made a conquest of 'beast,' he had not the slightest expectation that the beast would in turn make a conquest of beauty. His young friend had several admirers, all votinger and better dressed than the stalwart mason, and with better prospects in life; but, at last, matters came round: the young people discovered that they were mutually in love and a conditional engagement took place. It was settled ted that the total amount of pig iron, that they should stay three years more in Scottand on the existing terms, and if. during that time, no suitable field should open at home, that they should quit the country for America, and share together operative mason. Bright prospects at gers." Here it is: last arose. Upon the establishment of a branch of the Bank of Scotland in his native place, he was offered the situation of leece gives to dogs, wont pizen the heuaccountant. When he received this ap. man beins after sassengers has been fride. pointment, he had been working as a Please to put in the paper how this is, mason for fifteen years, including the far if fride strichnine is pizen, I go agin term of his apprenticeship; he was with- sassingers. Yours till pizened, out experience in financial or mercantile affairs; he had arrived at the thirty-second year of his age, but he determined to modern inventions, parhaps none excel in make himself master of his new profession, and thus resolution and energy car patent has been applied for by Alpheus ried the day. Meantime his work on the legendary history of Scotland was issued less than fishing for worms in the human from the press. It met with a favorable stomach in order to remove them espereception both from the public and the cially the tape worm-without employcritics. At length the seasons passed ing medicines. He has made a small by: the term of probation for the hand trap, on which a beit is secured, and of his intended came to a close, and ofter fasting for some time, the patient a courtship of some five anxious years, swallows the trap and bait, the latter be-Hugh Miller became the happiest of men ing snapped at by the worm, which gets in the possession of his bride at once

that he was below the average make.

With this lack of faith in his own charms.

So, now and then, may a poet have drawn to the surface, a captured tenioid happy love, like any common mortal! We like to hear of the phenomenen. And-to let the reader down softly from with the teeth closed. This should be such heights of incredibility-let us quote practised for two hours a day for three
